August, 2009

To: Previous Eastern Maine Camera Club Members and to others who have expressed an interest in joining our club

From: Mary Hartt, EMCC President

A sure sign of fall is the start of the Eastern Maine Camera Club season. I hope this letter finds you all well and anxious for another season of sharing your image making talents with the other members of the club.

I hope you will all take time to join us throughout the season, and please participate in the competitions. It is all in fun, a chance to see how others view what's around us, and an opportunity for you to show your interpretation of nature and life. The monthly topics are: Open, Nature, Still Life, Macro/Close Up, Color, Portrait, and Open.

Our Treasurer, Suzanne Trussell, is looking for dues (form below). She welcomes your registration and payment in advance. There is a good bit of bookkeeping to be done this time of year, and getting it done in advance of our first couple of meetings will be a big help to her. So please reply to this mailing with your completed registration form (on the back of this sheet) and a check for dues.

Our first meeting is September 3 from 6:00 pm-8:00pm at the U>Maine Museum of Art at 40 Harlow St. Bangor. The wonderful exhibit includes 2 photographers. David Hilliard who has multi paneled panoramas and Connie Imboden who harnesses in black and white the seductive quality of water, manipulating it's reflective nature with dramatic results. Christopher Frost's has whimsical sculptures too. To start the year off we will have a **byo sandwich/dinner and drink** and we will add a dessert buffet to that. We can eat inside or out depending on the weather and then Gina will give us a gallery talk. Look forward to seeing everyone there to kick off the new year.

Other meetings are usually held at the Bangor Park and Recreation Center on the first and third Thursdays of each month. Please check our web page to get details.

Our mission should be to become better photographers and to have some fun in the process. I look forward to seeing you in September!
